

## Withholding Verification Request Letters from Ohio:

The state had changes to their forms and system for the 2023 tax returns that have resulted in withholding verification letters being automatically generated and mailed to various taxpayers.

If you receive a letter from Ohio asking for W2s and other withholding forms to be provided, please text a picture of the letter to our text line and we will take care of it. Text line: 614-454-6545

If you receive a letter from Ohio saying that your refund will be offset, please call the OH Attorney General's phone number listed on the letter to find out what debt they intend to offset for. If you do not agree with what their records show, please text us and let us know so that we can decide what steps to take to get it resolved.
